

One of the World's Leading Coaches

Spiritual Adventurer

Bestselling Author

Inspiring Teacher

DRAYTON BOYLSTON

Interview Topics and Questions

- 🕒 **The Mindful Leader™** - How mindfulness can help transform individuals and organizations. Meditation helps creativity, decision making, and fosters better communication.

- 🕒 **Active Exec™** - The world's first experiential coaching program. How blending athletics, neuroscience/mindfulness training, along with group coaching, leads to transformational experiences for individuals.

- 🕒 **Profits through Purpose™** - How organizations can dramatically improve profits by aligning their people with their purpose. Worldwide workplace engagement is only 11% and is costing organizations over \$362 Billion a year!

- 🕒 **The Value of Values™** - How harnessing employees' core values can positively impact profits, engagement, and turnover. 75% of people wish they had another job and 80% *never* use their greatest gifts at work!

- 🕒 **The Stress Slayer™** - Using mindfulness to slay your mayhem. Stress is costing U.S. businesses over \$350 billion a year! What is causing this and, more importantly, what can be done about it?

- 🕒 **Coming UnScrooged™** - *Corporate Rescue and Redemption*
How organizations can *UnScrooge* themselves and help their employees *save themselves from the lives they've created™*.
